In the grand lobby of a striking hotel, located in the heart of one of the world's most awe-inspiring cities, you'll find our Arthur seating collection.

The shape and form of the Arthur collection draws inspiration from this setting – capturing the essence of the modern city.

Just glance up from the high-back sofa at the towering panels either side to evoke the sense of walking down New York's Fifth Avenue. Or stand back and take in the contrasting heights of the highback and lowback to picture the silhouetted skyline of Central London.

You might be able to take Arthur out of the city but you can't take the city out of Arthur.
