The Arran collection offers versatility, style and extreme comfort. The chair, which is available with or without arms and stacks four high, is the ideal visitor, meeting or breakout chair.
The range comprises of a chair that can be specified as either a four legged chair or with a skid base and a stool that is also available with a choice of two base options.

Quilted stitch detail makes for a stylish addition to the upholstery collection.
The Arran range has been designed with the needs of the user and the environment in mind and has been designed to minimise any negative effect on the environment.

During its life, components such as the seat and back can be easily removed and replaced if required. The seats, backs, armrests, frames and chroming are all produced in accordance with the ISO: 14001 standards. At the end of its life Arran can simply be disassembled so that each component can be appropriately recycled.

Presented with The Queen’s Award for Sustainable Development 2009, FSC accredited and a carbon neutral company, we only work with like minded suppliers who use raw materials and components obtained only from ethical sources.

Uncompromising on quality, we purchase materials with a high recycled content. We work closely with local suppliers and constantly review our global logistics operation to ensure we minimise any negative impact on the environment.

We actively monitor the carbon footprint of our products throughout their life-cycle to ensure they meet Boss Design’s environmental policy.

We partner with the Greenworks organisation to deliver our award winning end-of-life product management process, where we arrange for our client’s old furniture items to be collected and redistributed to charities and other good causes. Alternatively, unsuitable furniture is always broken down and recycled.

Returnable Packaging: CFC & HCFC Free
Carbon Neutral: Yes
Climate Neutral: BS EN ISO 14001
The Arran visitor chair and bar stool range combines style and versatility to deliver a range that caters for the broad requirements of the modern workplace. Arran has been tested to BS EN 15373 level 2.
