**Mixing a distinctive silhouette and slightly angled back, Jac projects an air of contemporary sophistication that's just as at home in a corporate reception as it is in a lounge or breakout area.**

But don't let its sharp lines fool you, Jac is exceptionally comfortable thanks to its moulded foam body and supple seats, making it the perfect seat to share or enjoy by yourself. Its linear charm can be accentuated perfectly with a two-tone finish together with polished chrome feet. Ideal for reception and breakout spaces, this range can be as fun or serious as you wish.
