

120

Classic, sophisticated and stylish.

120 demonstrates Lyndon Design's expertise in handcrafting timber materials, whilst providing an exquisite finish with its bronze glass top.

LOW COFFEE TABLE

Each table has a story to tell and 120 is no different.

With a strong solid timber under frame, the three way split preserves a 120 degree angle. It is the defined shape, lines and form from where the name's inspiration is drawn.
