- Indicate GRADED-IN TEXTILE on your order and Boss Design will order the fabric and produce the specified furniture.
- Boss Design reserves the right to adjust grades to accommodate price changes received from our suppliers.
- Refer to our website www.bossdesign.com for complete pattern lists with corresponding Boss Design grades. Fabrics priced above our grade levels and those with exceptionally large repeats are indicated with "CALL". Please contact Customer Service for pricing.
- Orders are subject to availability of the fabric from the supplier.
- Furniture specified using multi-fabric applications or contrasting welts may be up charged.
- Textiles offered in the Graded-in Textiles program are non-standard materials and are considered Customer's Own Materials (COM). Because COMs are selected by and used at the request of a user, they are not warranted. It is the responsibility of the purchaser to determine the suitability of a fabric for its enduse.
- In the absence of specific application instructions, Boss Design will apply the fabric as it is sampled by the source and as it is displayed on their website.
- **MEMO SAMPLES MUST BE ORDERED DIRECTLY FROM THE FABRIC SUPPLIER.**
- **NOTE:** Backing may be required on some materials for proper tailoring on Boss Design furniture. Additional backing charges may be incurred and will be the responsibility of the customer.
- **NOTE:** Cancellation of an order requiring Graded In fabric will be determined by our ability to cancel any fabric ordered. Customer will be responsible for restocking fees and any shipping costs incurred.
- **NOTE:** Within the Graded In program, not every fabric is approved for every style of Boss Design furniture. Please contact customer service for confirmation that your selected fabric is approved for use on the intended product.

SPECIFY ON ORDER: INDICATE GRADED-IN TEXTILE ON ORDER

- Boss Design Furniture Item number, quantities and options
- Fabric Source
- Fabric Name/Number and Color Name
- Include specific instructions for the application of the fabric on the furniture to indicate pattern/stripe direction, right side of reversible fabrics, etc. In the absence of specific instructions, Boss Design will apply the fabric as it is sampled by the supplier.
