Cable Management & Modesty Panels

Cable Management:
We recommend using QikTray

Power and Data is placed central and parallel to the longest edge

Detailed Specification

Legs & Frame

The ATOM legs & frame consist of aluminum components available in polished, or a Black or White painted finish

Standard painted leg finishes:

- Polished Aluminum
- Black RAL 9005
- White RAL 9016

Non - Standard frame & leg finishes:

- Other RAL colors subject to minimum order quantities

The ATOM frame is 28.5" (721mm) high without a top added. To find the total height of an ATOM table specification, please add the thickness from the edge details below.

Top Finishes

A choice of tops available as follows:
Standard Finishes - Laminate, MF MDF, Compact Laminate, Premium Finishes - Oak & ABW Veneer and Fenix.

Edge Details

- 0.7" (18mm) Laminate - Matching color edge
- 0.5" (12mm) Compact Laminate - Black Edge
- 0.55" (14mm) Veneer - Solid Edge
- 0.55" (14mm) Fenix - Matching Edge

Grain Direction

Single table top pieces - Grain runs lengthways
Two or more table top pieces - Grain runs widthways

Table Power Options

Please see power & data page for the full list of compatible power options. If a power option is not listed, or you wish to use an alternative, then please contact Customer Service.

A 72" starter cable is supplied as standard however other lengths are available - see power & data for more information.

Power Location

ATOM power locations are central to the table and parallel to the longest edge.

Seating Guidelines

Seating guidelines are based on a seat width of 23.5" (600mm) from the edge of the table and are to be used as a guideline only.

For an accurate information specific to a chair in our range, please contact us or download the specific CAD files from our website.

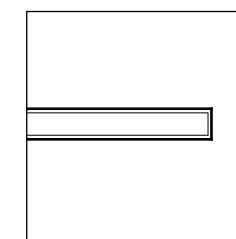

Digital Assets

We hold a library of assets for our Deploy product range which you can find by scanning the QR code below. If you are viewing our interactive PDF, simply click on the QR code to be taken directly there.
