

Raft+ Units

The Raft+ family consists of eight units that can be arranged to create configurations.

These units are available as a mid-back or high-back.

Raft Plus is available on metal legs

Mid Back

High Back

Raft Plus - Configurations

Raft Plus is available to specify in an almost unlimited variety of combinations, however we have priced two of the most common configs for you.

Linking clips are available separately.

Reef tables are shown on the image examples.

Power & data units

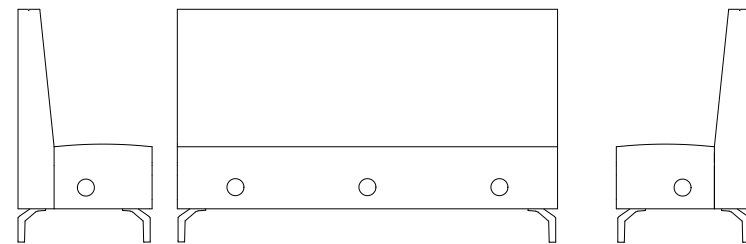

Pixel power and data units are available to specify and can be fitted to the Raft seating range in multiple areas.

Our Standard power offering for Raft Plus is:

Pixel - 1x Power & 1x TUF A+C

Pixel
1x Power +TUF

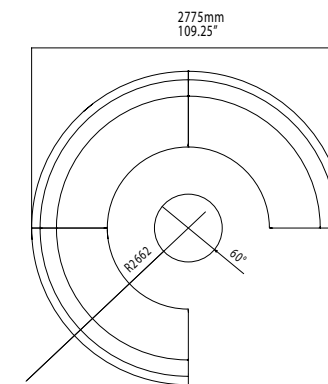

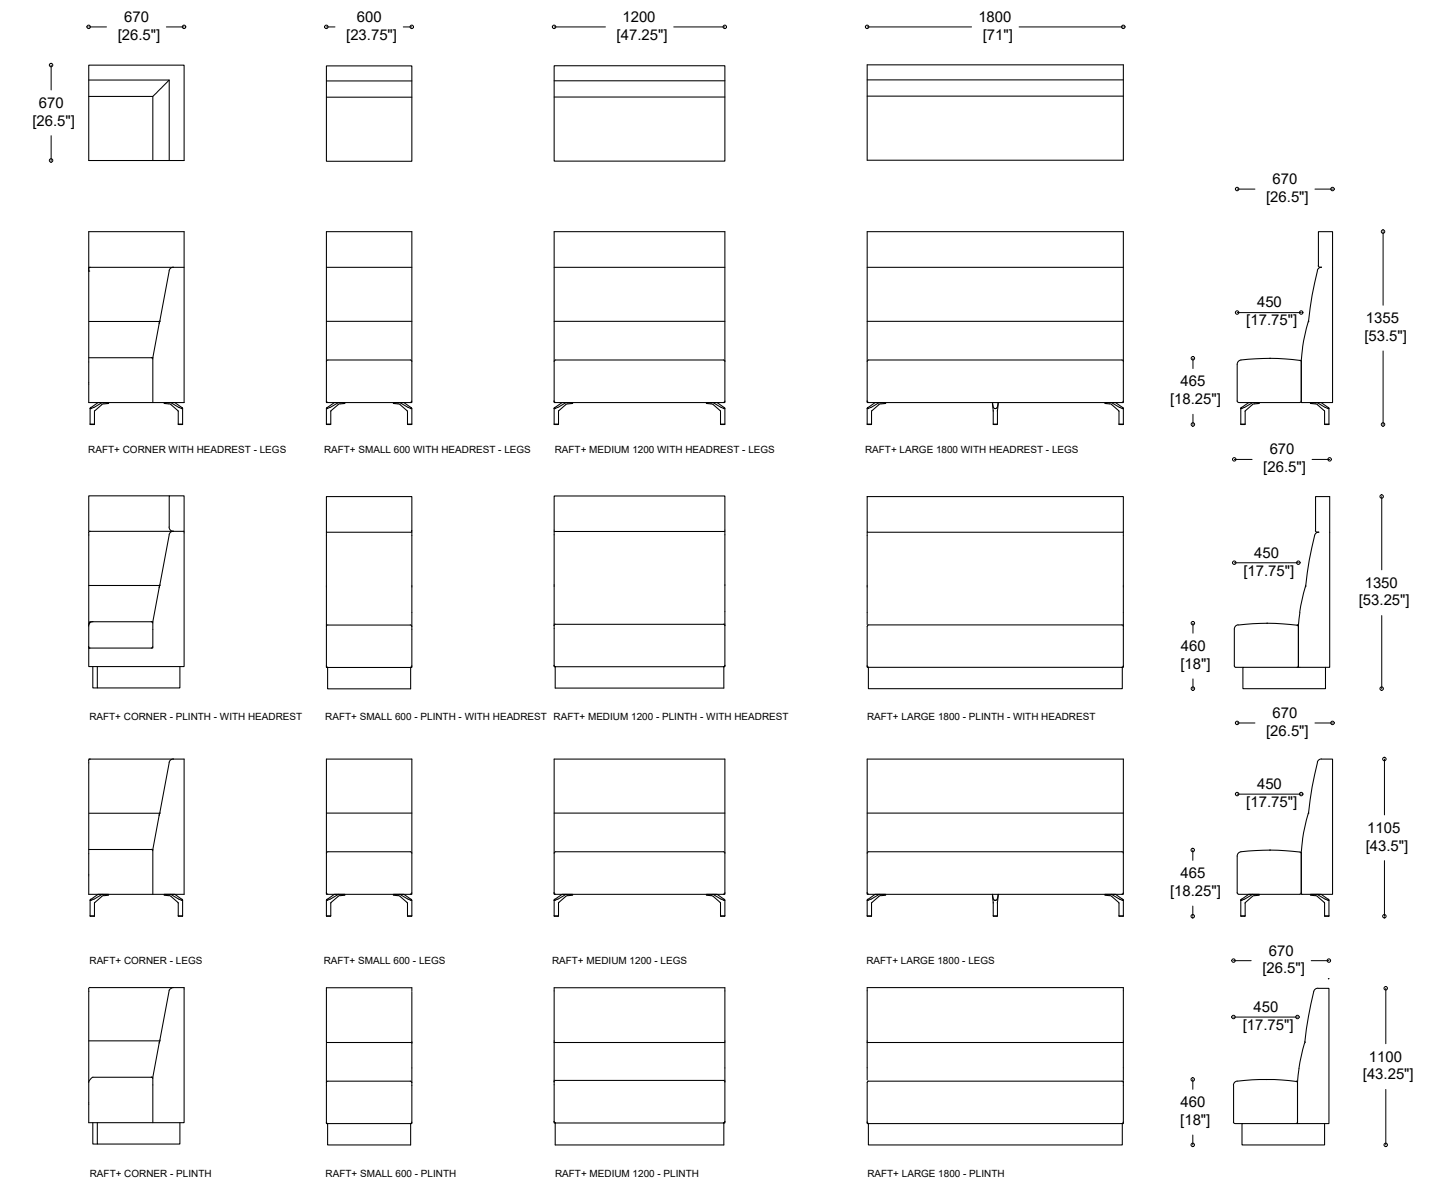

Important things to note

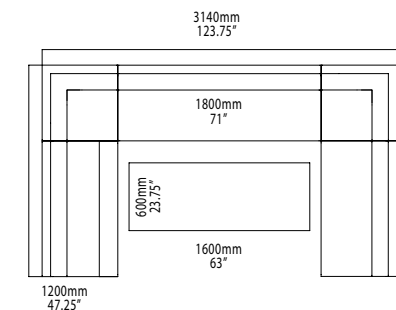

Not recommended to be upholstered in Grade 1 fabrics

Raft Plus - Line drawings
