

Reef

Tables

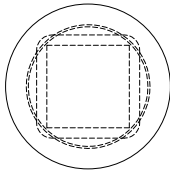

Table Tops

Available in three table top shapes: Circular, Square and Rectangular

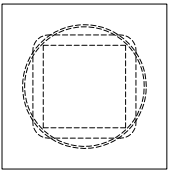

Two standard finishes: High Pressure Laminate & Veneer.

Square or Chamfered edge finish options

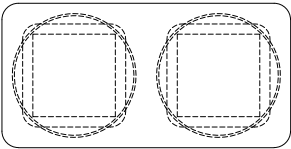

See appendix for Boss Design's standard colorways

Single Base with Circular Top

Single Base with Square Top

Dual Base Configuration

Table Frame & Leg Finishes

Reef is available in 9 different Colors, plus a chrome base.

Standard:

Black - RAL 9005
White - RAL 9016
Silver RAL 9006

Optional:

Grey - RAL 060 60 05
Dark Blue - RAL 240 20 22
Light Blue - RAL 220 70 10
Light Ivory - RAL 1015
Reed Green - RAL 6013
Copper Brown - RAL 8004

Power & Data Management Options

Reef is able to be specified with a variety of power and data options, however we recommend both Pixel and ARC-H LD units as standard for a central position.

For a full list of power and data **see page 379** for the full range available

For customers own power please contact us for compatibility

Please note: Power is **NOT** available with polished bases

ARC-H LD
Black or White

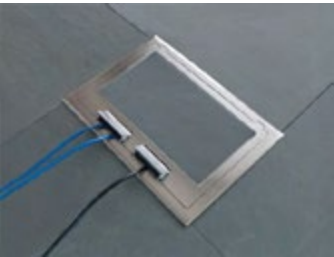

Pixel
1x Power +TUF

Cable Management

When selecting power and data with a Reef table, a larger steel stem and heightened base is used which allows for the Pixel unit's power cables to be located internally within the stem (shown right, in green).

The power and data cables neatly exit the underside of the raised base ready to be fitted into trunking or other power sockets.

With internal cable management located within the stem (when specifying Pixel or Aircharge power units), Reef can be placed directly over any floor power boxes which can help maintain a cable free aesthetic whilst simultaneously hiding most floor power boxes

boss

Detailed Specification

Base and Stem

Reef consists of a steel base and stem, available in the following shapes:

Circular

Square

Reef is also available in three heights:

Coffee - H 16.75" (425mm)

Dining - H 28.25" (720mm)

Poseur - H 43.25" (1100mm)

Standard frame finishes:

Black RAL 9005

Silver RAL 9006

Optional Colors - Additional Up-charge

Grey - RAL 060 60 05

Dark Blue - RAL 240 20 22

Light Blue - RAL 220 70 10

Light Ivory - RAL 1015

Reed Green - RAL 6013

Copper Brown - RAL 8004

Table Top Detail

1" Across the whole range available in either circular or square top profiles. Square top profiles are also available with radius corners.

Square or Chamfered Options:

Veneer

Laminate

Grain Direction

Grain runs lengthways

Table Power Options

As standard, we recommend the use of a Pixel or ARC-H LD unit that is located centrally

When specifying a power and data unit, a marginally wider stem is used in order to accommodate the power unit. This stem also allows for the cabling to be neatly hidden away inside, exiting at the bottom of the base. This allows you to place the table directly over any floor box or trunking for neat and efficient cable management.

Please note that the cost of the pixel displayed on the following pages includes the enhanced base and stem, power unit and top cut out.

Other power options are available however these require prior approval from our technicians.

A 72" starter cable is supplied as standard however other lengths are available - see page 379 for more information.

Seating Guidelines

Seating guidelines are based on a seat width of 600mm from the edge of the table and are to be used as a guideline only.

For an accurate information specific to a chair in our range, please contact us or download the specific CAD files from our website

Reef Digital Assets

We hold a library of assets for our Reef product range which you can find by scanning the QR code below. If you are viewing our interactive PDF, simply click on the QR code to be taken directly there.
